Notes from your Moderator: *Summer, 2011*

I was fortunate to be able to attend the 5th Native American Women's PW Gathering at Menaul School in Albuquerque, June 3 – 5, 2011. **Theme**: Nesting in God. **Scripture**: Deuteronomy 32: 11 – 12: "Like an eagle that stirs up its nest and hovers over its young, that spreads its wings to catch them and carries them on its pinions, The Lord alone led him; no foreign god was with him."

Nearly 90 Native American women from all over the United States attended. Marta Rodriguez, Moderator of the Churchwide PW Coordinating Team, addressed the group. Susan Jackson-Dowd and Ann Ferguson from the Louisville office also participated. Conrad Rocha brought greetings from the Synod of the SW. In addition to worship and communion participants were able to choose 3 workshops. Some of the choices were Spirituality; From Smoke Signals to Social Networking; No One is to Blame….When a Loved One Takes Their Own Life; and, The Lost Glove Syndrome (Leader Development.) Saturday morning's sunrise meditation was titled "Living the Sacred Hoop," and Sunday morning, "Four Directions." Vendors offered pottery and jewelry and Saturday evening during "Ladies Night Out," classes were held on pottery painting, shawls, scrapbooking, beading and prayer bundles. The next gathering will be in 2014 at a site to be determined. (see photos page 3)

I hope you are all making plans for the 2012 triennial Churchwide Gathering to be held in Orlando, FL, July 18 – 22. The theme for this gathering is "River of Hope," based on the scripture Psalm 46:4–5. Synod of the Southwest will have 10 voting members at the business meeting. Women from all over the world will be attending the gathering including women from India. The PW Global Exchange to India will take place in October this year. Erika Poncho from Santa Fe Presbytery will be representing the Synod of the SW on this mission trip. She must provide her own funds of around $5,000 for the trip and she is currently seeking mission partners.

It is time to be thinking of and planning for the triennial gathering to be held in New Mexico. This will the topic of conversation at the PW Synod Coordinating Team meeting September 30 – October 1 in Albuquerque. Anyone having an inspiration about theme, speakers and location for this event should contact her PWP moderator or me.

Please keep Stella Webster in your prayers. She has resigned from her position as the Synod PW Together in Service chair as well as her recent appointment to the Churchwide Coordinating Team due to ill health.

Peggy Free, Moderator

Mission Opportunity - Together In Service …

Troy Williamson, Director of Institutional Advancement, writes that MSNM's writes currently MSNM's greatest needs are:

1) *Financial Aid Funds* to help low income students attend Menaul School. If anyone wants to contribute to the financial aid fund, they should indicate so on the memo line of their check or include a note with their gift.

2) *Study Bibles* - At the beginning of every school year, each 9th grader and any new student to the high school, receives a study Bible for use in religion and literature classes while at Menaul. The Bible is theirs to keep and contains a name plaque on the inside cover with the student's name and the name of the group/individual who donated funds for the Bible. The Bible we use is The New Oxford Annotated Bible – New Revised Standard Version. They cost $30 each and this fall we will need approximately 40 new Bibles ($1200). Anyone wanting to contribute to the Study Bible Fund should indicate so on the memo line of their check or include a note with their gift.

Groups may also continue to support Menual School of NM by collecting and sending in CAMPBELL'S LABELS & GENERAL MILLS' BOX TOPS FOR EDUCATION . These programs provide gifts and school equipment that directly benefits the school and its students. (We do not collect Betty Crocker Points).

The above items are in addition to … Bequests and Gifts…Specific fundraising…Alumni Association… All support gifts are appreciated.

The Office of Institutional Advancement (OIA) is responsible for fundraising, communications, and alumni relations. Gifts can be mailed to OIA at: Menaul School, 301 Menaul Blvd NE, Albuquerque, NM 87107.

Notes from Shirley & Jackie…

Kansas news **-**Hello Everyone, We are back in Kansas where it rains often and the humidity is high, but everything is so green. I am enjoying being able to see my grandchildren, going to ball games, their plays, etc., but I do miss seeing my friend back in the Southwest. We have joined a small church that doesn't have a PW group yet, but I am working on that. So I am meeting with a group at a larger church where my friend belongs. I am already on the PWP board and will be doing a presentation on my Thailand trip at our Fall Gathering. Hope to see some of you at the Gathering in 2012, if not before.
Shirley Nichols

Texas news **-**Greetings from your Texas friend! I'm feeling settled here in Round Rock. John is working to get our church of 350+ members on task for their pastor search as he builds up a new staff and strengthens the leadership of the Session. I am singing in the Chancel Choir and on the Praise Team - which I really enjoy! There is no PW here and I sure miss that connection. We just enjoyed a week with all our children and 7 grandchildren and my parents gathered here. Mary Danforth was here for a week in July- great fun! We have 2 guest rooms, so y'all come on over! Keeping you in my prayers. Jackie Poling

On June 7, 1971, UPUSA announced the first woman moderator of General Assembly, Lois Stair. *A women-owned Fair Trade group in Palestine sells several products through a non-profit U.S. company called Import Peace. I want to suggest that your PWs buy some of the ZA'ATAR (thyme) bags and serve and sell them at PW and church events. It is suggested that you provide a plate containing olive oil at each table or in the food line, and sprinkle the thyme on another plate. Dip one side of a yummy slice of bread in the oil and then dip the oiled side in the thyme. It's really good! I use mine at home regularly. Find out how to order at **importpeace.org**, or call 218-963-0942. */JF*

⌘ LEADERSHIP . . . ⌘

Developing strength and growth with realistic planning and evaluating … First pray for guidance as you begin. Evaluate needs and desires. Learn and appreciate the history. Be realistic that there will be new needs and opportunities (*things always change)*. Develop concrete actions to achieve goals set (*measurable and attainable).* Identify who you are and what your mission is, what the group does and what the group excels at and what bonds the group. Then cultivate a monthly time line, and follow through. Communicate in ways (bulletin boards, meetings, newsletters, phoning, visiting, etc.) that informs everyone that may be involved and get their approval. NOW begin your plan. Always take time to quantify. Look at goals, develop workable ideas, communicate and get approval, evaluate and re-evaluate, and plan for future building.[2] */MD*

Newsworthy from . . .(continued)

PWP de **Cristo**, Jean McElrath

Our big news is that the Rev. Dr. Margaret Aymer is the speaker for our Fall Gathering at the Valley Church in Green Valley October 22nd. She is also preaching that weekend and so you might want to make a weekend of it in Green Valley.

Margaret wrote the Horizons 2011-2012 Study on the Beatitudes. She was an inspired and inspiring speaker at last October's Fall Synod Gathering at the Redemptorist Renewal Center in Tucson- and Valley Church wanted her back to speak to their congregation.
Not to waste the opportunity of hearing her again, and talking informally to her again-she is such a delightful person-we were thrilled to team up on expenses and accepted Valley's invitation to host the Fall Gathering.

We were concerned that Fall Gathering is usually our workshop and training opportunity, but Margaret has so much planned for us at the Gathering that Peggy Free is organizing some of her training sessions from last summer, learned as one of two delegates from the Synod of the Southwest to the pre- Churchwide Gathering in Orlando. The actual Churchwide Gathering -River of Life- is July of 2012. Peggy will be giving these training sessions at the August Presbytery. Wonderfully, that Presbytery will be at Green Valley. This is our second Annual Summer Training Presbytery in Presbytery de Cristo. All our twenty- nine churches members -and their pastors and usual delegates -are invited! /JMcE

V-A-C-A-T-I-O-N MONTHS...
However, as we communicate over these months many topics surface…we find our ties continue to bind us together in the work of Jesus Christ and his church. We have read and ready to study The Beatitudes Horizons Bible Study by Rev. Dr. Aymer and reading recommended books from other PWSSW. Our prayer groups, together-in-service projects, and mission opportunities are year round. The reality is that there is a connection. A special note of thanks goes to our PW-c as they continue work on their mission projects in the border ministries. Enjoy your summer, everyone, and pray thankfully that we have a confession that binds us together: *Jesus is Lord.* /DL
