

2018 WINTER ALL STAFF CONFERENCE (WASC)
FOR PRESBYTERY AND SYNOD STAFF • DECEMBER 10-14, 2018
MERCY CENTER, BURLINGAME (SAN FRANCISCO BAY AREA)

Welcoming the World's Spiritual Wisdom with Wonder and Waltzing: to love, listen, learn, live, laugh and lead.

The Rev. Judy Slater is a PC(USA) Minister of the Word and Sacrament and a member of the Presbytery of the Redwoods. She is a Certified Professional Co-Active Coach from CTI (Coaches Training Institute) and graduate of CTI's Leadership program, an Intuition Medicine Practitioner® from the Academy of Intuition Medicine®. She has certifications in Spirituality, Health and Medicine from Bastyr University, Trauma Wellness Techniques from Capacitor International and Contemplative Healing Prayer. Judy continually incorporates new discoveries into her life using Tai Chi, Qigong, Yoga, Dance, Music, Art, Literature, Travel and her own chronic health journey as resources for her own well being and those with whom she works.

Rev. Judy Slater unleashes her passion and purpose integrating spirituality, health and the creative arts in her own life, and for those she works and engages, to further joy and transformation of our world.

During our time together, we will reclaim the creative, compassionate, connectional leader within you by engaging in global spiritual conversations and vital spiritual practices. We will explore five ways of being effective leaders and learn practical multicultural wellness techniques, energy medicine protection tools. Creative activities will open hearts, change minds and ignite the courage and passion to love, listen, learn, live, laugh and lead from within a place of personal authenticity and empowerment while facing the pressures and challenges of our outer work and world.

Using a schedule that begins and ends our days with worship, there will be time to re-balance, renew and rest using contemplation, experiential learning, social activities and free time. Each participant will receive a copy of The World Wisdom Bible, a resource we will use to learn from many faith traditions and a gift to carry back to home and work.

Judy offers a listening presence, spirit promptings, creative insight, guidance, imagination, and vital holistic practices working with the wild materials, interesting shapes and imperfections of our mind, body and spirit that add character to life while becoming curious about new choices, perspective and possibilities, so that one can live and flourish in the life they want, and further the work they are passionate about doing.
